Reissue Applications

The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414).

In the Reissue Oath and Declarations filed December 11, 2006:

In item 4, the Duty to Disclose statement must acknowledge the duty to disclose all information known to be material to "patentability" as set forth in 37 CFR 1.63.

Item 6 in each of the papers referring to the errors is improper. The statement does not comply with 37 CFR 1.175(a)(2) because it lacks the required wording of "all errors" arose without any deceptive intention. The wording used by Applicant should be changed to "All errors corrected in this reissue..."

It is suggested that Applicant file a single reissue declaration (not combined with an oath) using form PTO/SB/51.

The amendment to the claims filed on April 5, 2007 continues to be improper. In a reissue application, the subject matter to be deleted should not be shown in strike-through; it must be enclosed in brackets. See MPEP 1453 and 37 CFR 1.173(d).

The marked-up copy of the claims submitted April 5, 2007 which complies with 37 CFR 1.121 need not be resubmitted.

This application is objected to under 37 CFR 1.172(a) as lacking the written consent of all assignees owning an undivided interest in the patent. The consent of the assignee must be in compliance with 37 CFR 1.172.

The statement under 37 CFR 373(b) filed June 13, 2006 is noted. However, this statement does not satisfy the requirement for written consent of all assignees. The statement under 37 CFR 373(b) merely establish ownership. See MPEP § 1410.01.

A proper assent of the assignee in compliance with 37 CFR 1.172 and 3.73 is required in reply to this Office action.

Claim Rejection

Claims 1-23, 25, and 29-31 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration (and oath) is set forth in the discussion above in this Office action.

Allowable Subject Matter

Claims 1-23, 25, and 29-31 would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. 251 set forth in this Office action.
